1) The appointment of a separate clerk for the Vedantha Patasala at Bangalore was advised in para 4 of Govt. No 2786-7/Mun.235-28-7 dt 21.9.29. This is based on the minute of the then First Member of Council in para 13 of notes in the connected file.

2) The list of items of work to be allotted by the clerk now sent does not appear to differ much from the one sent previously. According to the M.C. considers that the system under which clerical work was entrusted to Patasala Pandit & the Hostel accts. by the Students has not worked satisfactorily & agreeing with the Committee, recommends that the services of a whole time clerk are necessary.

3) The proposal involves an additional cost of Rs. 240 for the next one year under Establishments Patasala.

Copy of the Resolution of the Meeting of the Advisory Committee of
Sri Chamarajendra Veda Maha Patasala,
Bangalore, held on 14-2-1934.

Resolution:- Resolved that the Muzrai Commissioner be requested to kindly obtain sanction of Government for appointing a clerk to the Patasala on a grade pay of R 20-1-25.

"COPY"

For Muzrai Commissioner.

Letter No.1410 dated 18-3-34 from the Secretary, Advisory Committee, Sri Chamarajendra Veda Mahapatasala, Bangalore to the Huzrul Commissioner in Mysore.

I have the honor to submit herewith a copy of the Resolution passed the Advisory Committee of the Patasala in their meeting held on 1-2-1934 and sanction of Government be obtained for the appointment of a clerk on a graded pay of Rs 20-1-25 p.m. to the Patasala. Much need not be said; I may be permitted to submit about the necessity of having a clerk in this growing institution whose strength has increased from 45 to 80 in the course of these 5 years. The clerical work in this Patasala is detailed in the accompanying annexure.

As regards the matter of entrusting the work of the Hostel to a member of the staff it may be mentioned herethat the same was tried for some time and the Committee have come to the conclusion that it is better if the Principal is in direct touch with the working of the Hostel to enforce strict discipline in the boarders and residents, routine work being attended to by the clerk, who will be a sort of manager for the hostel of course under the full control of the Principal. The Committee also feel that from their experience of giving the Principal the direct touch with the hostel/work has been more smooth and economical.

Even so far back as 1927 the necessity for the services of a clerk was felt but the Committee were not inclined to approach the Government at the time, unless they made certain that the work of the Patasala really needed a clerk. At present as there is no clerk much of the Principal's time is taken up with the clerical work which ought more usefully be devoted to teaching and supervisior work. As a matter of fact he has to devote much time outside the working hours of the Patasala. The academical work of the Patasala is considerably prejudiced by the Principal having to do the clerical and typing work of the Patasala and the Committee knowing as they do the restricted finances of Government at present, have been obliged to approach Government with their request for the appointment of a clerk as it is found no longer possible to combine the growing clerical work with the academical work of the Patasal which has grown largely for the past 5 or 6 years when the question of the necessity of a clerk was first considered by the Committee.

The Committee therefore request that you will be pleased to move the Government to sanction the appointment of a clerk on a graded pay of

of L. 20-1-35 per mensem.

With reference to your letter No.1252 dated 5-7-34 asking me to point out the source for meeting the cost of maintaining a clerk for the Pathasala, I have the honor to state that the Committee on a further scrutiny of the budget regret to state that no savings can be found under any of the heads contained in it while, however, the services of a clerk have become pressing in order to relieve the Principal for devoting a larger portion of his time (extra time also) to the routine management of the hostel and to the clerical works in connection with the Pathasala and the hostel instead of devoting himself to the legitimate work of teaching the classes and the general supervision of the Pathasala.

In these circumstances, the Committee beg that the amount required for this year say about Rs.150/- may be found from some source at your disposal.
